XB100	Natures Menu Traditional	10x400g	6.03	6.46	6.90
-------	--------------------------	---------	------	------	------

A fantastic blend of meats with vegetables, maize and bran which provides a vast range of natural minerals, vitamins and a great source of carbohydrates for dogs looking for an energetic lifestyle. Rich in chicken, tripe, lamb, heart, vegetables and grains your dogs can enjoy a healthy range of micro minerals and chondroitin from fresh ground chicken including bone, which helps to strengthen teeth and bones. These molecules feed the joints of dogs and can help with arthritis, stiffness and mobility. Unsaturated fats and omega fatty acids provide not only energy for growth and work, but are natural antioxidants that can help build immunity.
